

MISSION STATEMENT

‘We seek to provide a first rate day and boarding education, supported by an inclusive ethos, in a community where every child is treated equally and respected, so that they are happy, fulfilled and secure.’

In pursuit of these aims we adopt the following approach at both Highfield and Brookham

- We stimulate, maintain and develop a lively, enquiring mind, providing a creative, innovative and vibrant curriculum using a wide range of teaching styles and resources.
- We encourage all children to work to the best of their ability and eventually become independent learners who value learning with and from others.
- We value application, perseverance, and initiative.
- We promote moral values within an inclusive ethos that develop a sense of own worth and strong relationships with others.
- We develop positive attitudes towards and concern for the environment.
- We foster close relationships between the school and home for both day and boarding pupils.
- We prepare children for the challenges and demands of their life in the wider world.
